BRIGHTER SMILES

Get a brighter, healthier looking smile at Portslade Dental Centre with one of our great range of professional tooth whitening treatments. Whether you want to add a bit of sparkle for your wedding day or enhance your look for business meetings, tooth whitening is simple, affordable and safe. We have products to meet your needs and suit your pocket: from our basic 2 week course to the revolutionary Enlighten Whitening System.

AT HOME TOOTH WHITENING

We will take a simple impression of your teeth which will be used to fabricate trays for your home kit which will be delivered 2 weeks after your appointment. These will be used with a home whitening kit consisting of 10 tubes of whitening gel. The gel is applied to the custom made trays that you wear when you want to; at night or any time during the day. To maximise results we can also provide you with further whitening material at a lower additional cost. Our team of expert practitioners will recommend the exact product to suit your teeth and lifestyle.

ENLIGHTEN ADVANCED WHITENING SYSTEM

This system brings together the latest breakthroughs in achieving maximum whitening results. This system combines 14 nights of home whitening with an hour long in-office procedure that produces profound and long lasting whitening.

WHAT ARE THE BENEFITS?

It is safe and easy to use with minimum sensitivity. Most clients can expect at least an 8-12 shade uplift following completion of treatment.

MAINTENANCE

Individual syringes of whitening gel can be purchased from the practice without the need for further appointments. One at home session per month is ideal to maintain your tooth whitening results.

ADVANCED STAIN REMOVAL

We employ the sophisticated air abrasion system to lightly and effortlessly remove stains from your teeth. This technique lifts all those stubborn stains that cannot be removed by brushing and scaling alone. Whether you are a smoker or a coffee drinker, advanced stain removal will allow you to re-capture your healthy stain-free smile.

Home Tooth Whitening	£215
Enlighten Whitening System	£395
